Use for both kitchen and employee evaluations

Evaluation Rating Scale

Performance Quality	Numeric Rating
Outstanding Exceeds company expectations. Perfectly executed consistently. Sets a new standard of performance.	5
Great Perfect according to company standards, efficiently, and fairly consistent with little to no error or assistance. Needs no improvement.	4
Average Just meets company expectations/standards. Minor imperfections. Should be an important area of focus.	3
Below Average Far from company's expectations/standards. Requires great focus and supervision until improved on.	2
Very Poor Terrible beyond belief. Leave everything to focus on improving this immediately.	1
